

## MassDOT NBIS Bridge Inspection Statewide, MA

### Project Description:

#### Location

Statewide, MA

#### Owner

MassDOT

#### Duration

2009 –Present

AI Engineers, Inc. (AI) was selected by the Massachusetts Department of Transportation (MassDOT) to perform NBIS bridge inspections statewide. This work is being performed on an assignment basis. The types of inspections required include Routine, Fracture Critical, Special Member and/or Damage inspections. The reports include an updated field verified, or new, Structural Inventory and Appraisal (SI&A) sheet, a Pontis evaluation and are prepared using the Department's 4D Database.

### Salient Features

- 4D Database
- NBIS Guidelines
- Fracture Critical
- Special Inspection
